Urgent Subject.

1. President's note dated 29th June 1925 proposing a modification of the resolution of the Council No 5, dated 26th May 1925 regarding the establishment required for collecting the gate fees at the Central Vegetable Market Departmentally from 1st July 1925.

Resolution --- Mr Belur Sreenivasiengar proposed and Mr B N Vijayadeva seconded that the President's note read above be accepted in toto, that one Mutsaddy on Rs 25/- per month and 6 peons on Rs 10-1-12 each per month be entertained, that the Market Inspector and the Market Sergeant be given an allowance of Rs 10/- and Rs 5/- each per month respectively and that necessary expenditure be incurred for printing tickets and other charges of non-recurring nature This was carried unanimously

Sd Mohamed Abbas Khan,
Honorary President

"C o p y"

Offg. Municipal Commissioner.

Note by the Honorary President in the matter of collection of gate fees and ground rent in the New Market Departmentally

---

A sum of Rs 100/- has been sanctioned by the Municipal Council for the employment of additional establishment in order to collect gate fees and ground rent in the New Market departmentally from the 1st July 1925. When I inspected the Market on the 26th instant in company with the Officiating Municipal Commissioner, the Special Engineer and the Revenue Manager it was found absolutely necessary to employ six peons and one Mutsaddy to control traffic and to collect gate fees and ground rent effectively in addition to the existing establishment consisting of one Inspector one sergeant and two peons

The distribution of work and the posting of servants is proposed to be as follows ---

(1) Market Inspector to be in charge of the Market and primarily responsible for the proper collection of gate fees and ground rent

(2) Mutsaddy to be stationed at the Central gate and to be assisted by two peons for the collection of gate fees

(3) Sergeant to collect ground rent with the assistance of a peon

(4) The posting of the remaining peons will be as follows -

(a) One peon to be posted at the northern gate facing --- Gundopanth Street

(b) Two peons to be posted in the two lanes of the Market connecting the Avenue Road.

(c) Two peons to be posted on the western boundary of the Market, i.e , towards the Police Road (Sethu Rao's Street)

Thus the need for the appointment of six additional peons one Mutsaddy is immediately evident

The monthly expenditure ------

(a) On account of the salaries of six peons at the rate of Rs 10/- each will be.	Rs	60/-
(b) On account of allowance to the Market Inspector and Sergeant at Rs 10 and 5 respectively will be	Rs	15/-
The balance out of Rs 100/-sanctioned by the Council will be Rs 25/- which should be the salary of a Mutsaddy.	Rs	25/-
T o t a l	Rs	100

For printing and other charges of non-recurring natur Municipal Council should be approached to accord sanction to required amount.

For the foregoing reasons, the resolution of the Muni Council authorizing the appointment of six peons at Rs 10/- each and one Mutsaddy at Rs 35/- and the utilisa Rs 20/- for contingencies requires immediate reconsiderati find from the records that the Revenue Manager in whom the ment of the Market is vested has recommended the appointm six additional peons at Rs. 10/- each and one Mutsaddy at Rs in accordance with the particulars furnished in the above I cannot understand how this report escaped the notice of cipal Council at the time of fixing the scale for the addit establishment for the Market.

Submitted to the Council.
